

# Comprehensive School Safety Plan

## (A) Safe and Orderly Environment

### **MISSION STATEMENT:**

Grant High School is committed to establishing and maintaining a safe and orderly environment, through ongoing practice and trainings, to ensure the safety and security of all students and staff. Grant High School Staff will be properly trained, organized and prepared to respond to any crisis.

### Goal 1:

100% of staff account for themselves and students during emergencies or drills.

### Action Plan 1:

- Ensure 100% of staff are trained on Catapult and have access
- Complete monthly required drills with fidelity

### Goal 2:

Train all Site Safety Team members on the accurate and effective implementation of procedures relating to the safety and security of our campus.

### Action Plan 2:

- Review all safety procedures with Site Safety Team
- Ensure all team members have been trained on Catapult
- Assign roles to each site safety team member
